**Certified Training Associate
Roberto Rodriguez**

Roberto Rodriguez, M.A., has over twelve years of experience in the treatment of substance use disorder. He is a Licensed Marriage and Family Therapist and a Licensed Alcohol and Drug Counselor. He has worked in intensive outpatient settings and residential settings, providing transformative experiences for adolescents, men, couples, and families. Rob is highly experienced in facilitating *Helping Men Recover* groups (providing co-occurring disorder, gender-responsive, trauma-informed services for men). Rob currently works with the Marc Hertz Consulting firm in Saint Paul, MN, where they specialize in trauma-informed interventions and intensive family workshops. He is the co-author of *Exploring Trauma: A Brief Intervention for Men* with Dr. Stephanie Covington. This is the only research-based, brief intervention program related to trauma for men published by Hazelden. Rob is often engaged as a consultant with supporters and implementers of the *Exploring Trauma: A Brief Intervention for Men* curriculum.
